

# Math 561 Assignment X\*

Sonja Petrović

Due date: one week after the talk attended.

Attend either of the following two talks:

1. Aida Maraj, Friday 3 March 11:30-12:30, location will be announced later.
2. Felix Almendra Hernandez, Friday 7 April 11:30-12:30, location will be announced later.

and write a one-page summary (one page typed in Markdown, for example) of the talk. Make sure your summary addresses the following topics:

- What was the topic?
- What was the relevance?
- The main result or contribution?
- Work out a simple example to illustrate the concept.

If your write-up is satisfactory, this grade can contribute to your your “Participation & worksheets: 10%” grade<sup>1</sup> in the course.
